

Tennessee Recycling Coalition

Recycling Grant Application

The Tennessee Recycling Coalition (TRC) is offering grants to public and private K-12 schools, governments, and non-profits in Tennessee. The grant funding amount of up to \$3,000 to support a new or expanding recycling program will be offered. This grant program supports the mission of TRC, a non-profit organization that works to promote and grow recycling efforts in the state.

Deadline: Applications are due **November 10th, 2023**. Mailed applications should be postmarked by that date; and emailed applications should be submitted by 11:59 p.m.

Submitting Applications: TRC accepts applications through mail and email. Please make sure applications and all accompanying forms are submitted by the deadline. Also, please note guidelines and instructions below.

Questions: If you have any questions, contact Amber Greene by email at info@tnrecycles.com.

Guidelines and Instructions:

- TRC only accepts one application per school, college, non-profit, or government organization.
- A budget outline must be included in response to Question 5 on the application form. The budget must support the grant amount requested. Applications with budget amounts up to \$1500 will be considered.
- Applications without the necessary signatures will not be considered.
- Only typed pages will be considered or survey applications.
- Font size should be no smaller than eleven points and no larger than fourteen points.
- In responding to Questions 1-5 of the application, additional attachments or enclosures may be included if needed.
